SPORTS APPAREL CATALOGUE

About us

BARNA SPORTS offer a tailored solution to today's apparel manufacturing. Being a family-run business, we take care of every aspect of garment production and sales.

Each garment is designed to be long-lasting, durable and competitively priced for wholesale and retail environments.

very single stitch that is made at Barna Sports is supervised personally and with attention to such detail that our customers always rate us as the supplier of choice.

We also supply to personalization businesses. We believe in establishing sustainable relationships by offering complete solutions on both commercial and product delivery terms to our customers.

We are a family owned business established in 1932 originally started as a sporting goods manufacturing and since few years diversified further into apparel products.

Our Production range Covers such as T-shirts, Polo Shirts, Sweatshirts, Kids Clothing, Tracksuits, Jackets, Sportswear, Uniform and much more.
